HCPC Welcomes Locked4Kids to Its Member Roster

Richmond, VA – The Healthcare Compliance Packaging Council, a non-profit trade association whose mission is to improve patient adherence and supply chain safety through proper packaging, is pleased to welcome Locked4Kids ("L4K") to its member roster. According to Terri Westerhaug, Locked4Kids Director of Business Development, Locked4Kids 2.0 is the world's first reclosable child-Resistant/Senior-Friendly carton, tested by the BVI institute in Belgium, an ISO 17025 international authorized testing facility. The carton is F=1 certified to meet the highest standards set by the US CPSC (US16 CFR 1700.20) and ISO/EN 8317 criteria for reclosable child resistant and Senior-Friendly packaging. The package is uncomplicated, cost effective, and designed to be easily automated on a standard folding carton line.

Ecobliss is the parent company of Locked4Kids, based in The Netherlands. Ron Linssen is the creator of cold-seal technology, he founded the Ecobliss Group in 1996 and developed Locked4Kids as part of the Ecobliss group in 2013. The first introduction to the North American market was at Pack Expo in 2014, then in March of 2016 the company formalized its presence in the USA as "Locked4Kids, Inc."

L4K is licensed directly to the brand owner. This unique business model enables the brand owner to work with their own suppliers for manufacturing all of the packaging components.

The company has earned many prestigious international awards for Locked4Kids CR packaging including the WPO WorldStar President's Award, the Dutch "Gouden Noot" Silver medal for packaging innovation and the CPhI Pharma Award for packaging innovation, and two awards in the USA for the NJPEC "Package Of the Year:" Gold in the Pharmaceutical category and Silver for their latest Locked4Kids creation in the Household category.
